

# Women's Auxiliary of Outrigger Club Plans Big Gala Day

Interesting Program Prepared  
For Occasion When Girls  
Will Be Competitors

The Women's Auxiliary of the Outrigger Canoe Club will hold its initial Gala Day on July 4 at Waikiki. The perpetual trophy contest will be featured on this occasion.

The following will be the events in this contest: 100 yard race, diving, plunging, and object diving, in addition to graceful swimming, the latter to include (a) 20-yard side stroke, (2) 20-yard breast stroke, and (c) 20-yard back stroke.

Other competitive events will be: 20-yard dash for girls under ten years of age; 40 yard dash for girls who have never competed; obstacle race, and team race.

In addition to the above there will be a life-saving exhibition by a trained squad, and other items covering fancy and scientific swimming.

## Committee Asks Cooperation

The committee in charge earnestly requests all members, mothers as well as daughters to interest themselves in this undertaking, to make the club's first Gala Day an unquestioned success.

In all the countries of the Entente, since the war, men's clubs have become sadly disorganized and this condition of affairs is beginning to be noticed in the United States and everywhere it is remarkable how active women's clubs have become and what a great deal they have accomplished in raising funds for worthy objects and at the same time developing women physically, so that they may take their right places in the new order of things.

The Women's Auxiliary of the Outrigger Canoe Club has voted \$500 for a Liberty Bond to help the American boys at the front. Now let all the members consider it their patriotic duty to help develop the girls at home. Those wishing to fall in line for good cause may express their willingness to the chaperon at the club premises on Saturday afternoon.
