Last night in the games hall of the Y. M. C. A. the Palama team, by the fastest kind of playing, defeated the O. P. A. C. in two out of three sets. They won the first by a one-sided score of 15 to 4. Lost the second, 13 to 15, and won the last, 15 to 8, scoring a total of 43 points to the O. P.'s 27.

Palama won because they played a better article of ball and no element of luck favored them. The breaks of the game were in favor of the O. P. boys, but the Palamas never faltered and consistently throughout the game showed an element of team work seldom seen in any kind of a game.

Captain Brash and A. Parker were the strong men in last night's fray with Pauana and Gregory of the losers also doing fine work.

Brash also led both teams in the number of points scored, getting 13 out of 16 serves, with Leslie a close second, 10 out of 16.

The serving Palama also outclassed the O. P., the latter missing two serves out of 4 chances and the Palamas missing but one out of 67.

The loss of last night's game puts the O. P. out of the running as far as winning the championship is concerned, and there is but one team now that has a chance and that is a slim one. If the Outriggers win from Palama when they meet next Wednesday, then they will tie them for first place and an extra game will be necessary to decide the final honors.

On Monday night the P. B. C. and the O. P. A. C. meet in the first game of the evening and the Kakaako Mission and the Koreans meet in the second. Wednesday will see the closing of the league, the Palama and the Outrigger meeting in the first and the O. P. A. C. and the Kakaako Mission in the last game.
