

# WOMEN PLAN BIG SWIMMING MEET ON JULY FOURTH

---

The Women's Auxiliary of the Outrigger Canoe Club has been particularly active lately, taking a keen interest in all athletic events. Last Tuesday, the club, working in conjunction with the A. A. U. officials, entertained the visiting Australian mermaids en route for the coast. Miss Fanny Durack expressed her surprise at the existence here of such a large women's swimming organization.

The object of the club is to encourage the young girls of the island to take a more lively interest in aquatic sports. With this in view the club directors have laid plans for their first gala day and this event will take place in the Y. M. C. A. tank on the evening of July 4. A varied program will provide competition for young and old, novices and stars.

Among the several events will be diving, plunging, graceful swimming, 100-yard dash, 20-yard swim for girls under 10, 40-yard novice, life saving exhibition, obstacle race, figure floating, musical buoys and various team races. The net proceeds of the meet will be turned into the treasury of the playgrounds summer school. An important meeting of all those interested will be held at the Outrigger Club on Friday, June 7, at 3 p. m., to discuss this and other club business.
