
Duke Beaten On Coast By Youngster

Honolulu, June 12—Local sport followers were somewhat surprised to learn that Duke Kahanamoku had been forced to lower his colors to a comparative novice in the aquatic competitions at Oakland on last Friday evening. Even the news that Clarence Lane swam the 25 yards in 10 2-5 seconds, smashing George Cunha's record of several years' standing, failed to make up for the keen disappointment of local enthusiasts.

According to advices from the coast Frank Norgis is the youngster who caused Duke to play second fiddle, winning the 100 yards in 55 3-5 seconds. This time breaks Norman Ross' world's record for the distance.
