

MOONBEAM DANCE AT THE OUT- RIGGER CANOE CLUB

The Outrigger Canoe Club gave its monthly "Moonbeam Dance" last Saturday night at its cool and spacious club grounds on "the beach at Waiki-ki." It was a very well attended affair indeed, not only by the Outriggers and their ladies and Honolulu society folk, but also by very many of our boys in khaki and quite a number of tourists and guests of the Moana and the Seaside hotels. Everybody enjoyed the dance and seemed to be happy.

Owing to the popularity and success of the last couple of Moonbeam dances the Outrigger Canoe Club has decided to give another dance tomorrow night. "Dude" Miller's orchestra will play again and it is hoped every one will come again and bring some of his friends to enjoy the dance.
