

# BENEFIT DANCE FOR LOCAL BOYS STRANDED IN N. Y.

A benefit dance to raise funds to assist Clarence Lane and "Stubby" Kruger, who was stranded in New York, following the recent disastrous swimming tour led by Owen Merrick, is to be given next Saturday night at the Outrigger club. It will be under the management of Attorney W. T. Rawlins and "Dad" Center.

About \$800 is needed to bring the boys back home or enable them to return to college. Lane recently underwent an operation for appendicitis which cost him over \$500.

The Outrigger hall has been donated for the occasion and the music will be donated by the Hui Nalus. Tickets will be \$1 per couple and it is hoped that all devotees of swimming will be on hand to help in the cause.

A portion of the amount needed has already been raised by private donations.
