

SWIMMING MEET AT "Y. M." TONIGHT

First Aquatic Events In Nearly Two Years In Honolulu: Big Program

The Honolulu swimming season will open this evening at 7:30 o'clock with the Y. M. C. A. anniversary meet at the "Y" tank. Admission will be free and tickets are being given out at the Central Y. M. C. A. main office.

The program is a varied one and includes swimming by old men, young men, boys and girls. The novelty races arranged by Bert Tarleton will show some new features that are sure to amuse.

Judge Dole will be on hand to swim against any charter member. In view of the scarcity of charter members who can swim the length of the tank and Judge Dole's good sportsmanship, the committee in charge decided to open the event to any man over 70 years of age. Post entries will be accepted.

Strong School Teams

McKinley High and Normal School have both entered strong teams in the Interscholastic relay race. There will be a 50-yard swim for girls in which Punahou Academy will furnish the entries. Duke Kahanamoku's exhibition will follow the girl's race.

The officials for tonight's swimming meet at the "Y" tank will be as follows: H. G. Dillingham, referee; R. K. Thomas, clerk of course; W. H. Hutton, announcer; P. F. Lee, C. A. Pease, and Prof. J. M. Young, timers; Dr. W. C. Hobdy, H. K. L. Castle and W. A. Ham, finish judges; Ben H. Clarke, starter.

The program will be as follows:
