

In the Flashing Surf

The Outrigger Club's program starts at 2 p. m. "Dad" Center was hard at work yesterday putting all the big war canoes of the club into shape and he will have fourteen of them in commission today besides scores of surf boards. The best swimmers and surf riders of the club, including Duke and David Kahanamoku, will assist Center in initiating the navy men into the mysteries of Hawaii's famed aquatic sports. Members of the club will be on hand to welcome the visitors and give them a royal good time from 2 p. m. until evening.
