

HJORTH GETS FIRST SPRINGBOARD HONORS AT SWIMMING MEET

Jack Hjorth of the Outrigger Canoe club has been awarded first place and Bob Fuller, Healanani Boat club, second place in the springboard diving at the fall swimming meet.

An error in the calculations of one of the judges was responsible for announcing Fuller as first on the night of the event. The award was made at a meeting of the committee in charge of the meet today.

Piercy H. Nottage, in charge of the finances of the meet, reported that the expenses were some \$502.25 over and above the total receipts. The report was made to the meeting of the committee which decided to have the treasurer visit the various merchants who have bills against the committee and ask each to slice a little from the total and thus bring the expenditures within the receipts.

The protest of the 14th Submarine Division against the swimmers of the different coast artillery posts swimming as one unit will be referred to the various athletic officers, both navy and army, for decision.
