

WINNING FOOTBALL FAME

The college is gaining a reputation in football, having won a game and tied another. Both of these games were played with the Outrigger team, the first ending in the score 6 to 6, while last Saturday's game at Moiliili finished with the college leading 27 to 7.

From the point of view of the spectators the game was fast, and open plays were frequent. The forward pass work on both sides was excellent, the Outriggers scoring their first and only touchdown on a long pass to C. Willis who crossed the line. It was a great triumph for the college but a fractured leg of Muratsuka, the right guard of the college, somewhat marred the victory. With 10 seconds to play Muratsuka rushed into a play through right tackle and a crack could be heard as of a bone breaking. The plucky young player was found to have a compound fracture and was rushed to the hospital in the ambulance.

Play continued and though the Outriggers fought hard they could not put the ball over the line again. In several instances they managed to get within five yards of a touchdown but each time the college presented a stone wall that could not be pierced.

The line-up for the college was as follows: W. King, c.; W. Jacobson, l. g.; R. Macconel, r. g.; P. Hanohano, l. t.; C. Lambert, r. t.; J. Thompson, r. e.; H. Hitchcock, r. e.; H. Harvey, q. b.; L. Brash, l. h. b.; R. Spencer, r. h. b.; G. Bromley, f. b.

Today the college team will meet the fast eleven from Schofield Barracks, the game to be played on Cooke field, Manoa valley.

The Schofield team has a strong aggregation, as it has about 45 men to pick from. The college, however, has some advantage as it has been in several games already and has had a good deal of practise.

In case the college comes out the victor in today's battle a final game will be played on Thanksgiving Day with the town team for the championship.

Murray Johnson has led the rooters on at both games, and has started the ball rolling as he is planning a few more new yells.
