

# HILOITES WOULD SEND SWIMMERS TO OLYMPIC GAMES

## "Dad" Center Brings Word That Second City Is Boom- ing Aquatics

"Dad" Center, dean of Honolulu swimming officials, accompanied by Josephine Hopkins and Gerd Hiorth, members of the Outrigger relay team, arrived from Hilo yesterday morning by the Mauna Kea. "Dad" is just recovering from a bad cold which he caught during the Hilo swimming meet.

"Dad" says that Hiloites are all "het up" over the swimming game and are talking about sending entrants to the Olympic games at Antwerp next year.

Plans for the formation of a new club to compete with the Hilo Yacht Club are to be discussed at a meeting to be held in Hilo today, said "Dad". The meeting will be attended by representatives of the Boy Scouts, the Girl Scouts, the Camp Fire Girls, the Hilo Yacht Club, the Elks, the Moose, the Owls, and the various schools. To decide discussions as to the respective abilities of Kuu-loha Keliipio and Helen Moses, both Hilo girls, a match race may be staged.

Hilo even is claiming Beatrice Dowsett as a Big Island swimmer on the ground that she was born at South Kona. Miss Dowsett is signed up with the Outrigger and is not likely to join the Hilo forces, says "Dad."
