

OUTRIGGER MEETS TOWN TEAM TOMORROW

PUNAHOU PLAYS KAMEHAMEHA AT KALIHI

Honolulu fans will be served two rip-snorting football games on Thanksgiving Day. One of these battles will be an exhibition mill between the leading interscholastic teams and the other will be a major melele.

The Outrigger Canoe club will meet the Town Team at Moiliili field at 2:30 o'clock, and the Punahou team will play Kamehameha at Kalihi field at 3:30 o'clock.

Ewa Men Brimming With Complete Assurance of Success Over Interscholastic Champions

The annual Thanksgiving Day game between Punahou and Kamehameha will be played tomorrow at Kalihi field, the whistle starting the battle at 3:30. Despite the fact that Punahou is sending in a crippled lineup the Buff and Blue supporters are sure that their lads will turn the trick.

Kam players and rooters are looking forward to this meeting as "their game," so confident are they of its outcome. Despite the gritty and hard-fighting games that Kams put up against the interscholastic champions in the two regular season contests, Coach Borden says his boys did not really get into their stride until last Saturday's game against Honolulu Military Academy, when they smothered every forward pass of that much-feared pair, Grey and Ault, and overwhelmed the Kaimuki cadets, 48 to 0.

Confidence

All through their playing, until last Saturday, the Kam boys displayed a noticeable lack of that most vital element of success—confidence. Now they seem to have found themselves although too late to win the coveted championship, but not too late to get a little satisfaction out of a post-season revenge over their gridiron foes.

The eleven had good practise Tuesday and yesterday, with some scrimmage and may finish the season this afternoon with very light training on signals.

Big Crowd Expected to Attend Moiliili Field Gridiron Go Between Two Fast Outfits

The Outrigger Canoe club held its last practise yesterday in preparation for the big battle tomorrow with the Town team. Coach Bill Inman reported himself satisfied that the Surfriders will give a good account of themselves in the battle.

The Town team wound up its training on Monday and "Scotty" Schuman smiled when asked about his club.

"Every one of the boys is in great shape and we will show the Outrigger club some real football offensive tactics tomorrow."

This will undoubtedly be the best drawing card of the season. The Town team walloped the Luke field team by an awful score and demonstrated that it had the offensive, if not the defensive, ability. The Outriggers will undoubtedly endeavor to use line plunging tactics to demoralize the Town team squad.

The fans can expect some classy football at any rate. Both teams are fast and both teams are out to win.
