## Game Team

It has been said that the College of Hawaii team, since it got into gridiron prominence, is the grittiest fighting body of athletes seen in the islands for years. Capt. "Dusky" Brash is expected to play his best tomorrow afternoon. The stalwart will probably be playing his last game of football with the Green.

George Bromley too, must not be overlooked. With two weeks' of rest, he ought to enter the fight in the pink of condition. His ability to punt beautiful and long spirals should be a treat to any football spectator. A punting contest in tomorrow's tangle may result in a dual between Bromley on the Green aggregation and Rodgers or Andrews on the Town stars.
