

SENIOR BASKETBALL SEASON LOOMING UP

With football below the horizon of the sport world, basketball is coming forward. It is expected that a senior league, operated and fostered by the Hawaiian branch of the A. A. U. will commence operations shortly after New Year's Day.

There should be at least six teams in the league. The Outrigger Canoe club, the College of Hawaii, the Waikiki Athletic club, Pearl Harbor, Central Y. M. C. A. and Schofield have signified their intention of competing.
