

DOWSETT GIRLS OFF FOR THE COAST

LEAVE NEXT WEEK ON SHIP "MAUI"

Honolulu will lose two of its most popular girl swimmers and the Outrigger Canoe club relay team will miss a couple of fast members in the person of Marion "Babe" Dowsett and Beatrice Dowsett. The two girls, with Mrs. A. Dowsett, will sail for the main-

ARMY TEAM TO LOSE ELEVEN MEN OF SET

WEST POINT, N. Y., Dec. 1.—Although it is a far cry to next season, and any reference to certain recent gridiron events are somewhat painfully received by army folks, yet a look into the future reveals the fact that the army will be hard hit by graduation next June, when eight of the original players who faced the navy at the kickoff on Saturday will leave the academy. Three of the five substitutes the army used will also be graduated. Those who receive commissions next year and have therefore played their last football for the soldiers are: Kiefer, Travis, Vogel, Daniel, Blake, Lystad, Schabacker, Herrick, Gregory, George Byers and McQuerrie. Of the 'varsity men only Beidster, guard; Green, center, and Wilhide and Davidson, substitute linemen, will also be available.

WAR DEPARTMENT HEADS TO ENCOURAGE ARMY POLO

WASHINGTON.—The war department authorizes publication of the following from the office of the chief of staff:

"It is the desire of the war depart-

land on the steamer Maui next week.

It is expected that the swimming committee and many of the friends of the two swimmers will be on hand at the dock to bid them aloha.

Frances Cowells, writing for a San Francisco newspaper, has the following note:

"'Babe' Dowsett, protege of Duke Kahanamoku, and her sister Beatrice, two of the most popular of the Hawaiian swimmers, are to arrive here on the next boat or two from Honolulu. They will reside at Palo Alto, where they plan to attend school.

"They have promised that they will devote as much attention to competitive swimming around the bay as time will permit."

Frances Cowells also has the following item in a San Francisco newspaper with regard to Ruth Scudder, the brilliant Outrigger Canoe club star:

"In the carnival held at Honolulu, Miss Ruth Scudder easily took precedence over all other starters. This 13-year-old product of the island swimming set established three new Hawaiian marks, one of them after her first race on the 50-yard back stroke. She has the natural build of a swimmer and with continuous practise cannot fail to reach the championship flight in 1920."

Incidentally, it is noticed that Miss Cowells fails to mention that the first race Miss Scudder starred in was the half century breaststroke where Miss Cowells came in second.
