

SURFRIDERS TO GO UP AGAINST SCHUMAN SQUAD

Football fans of the city are eagerly looking forward to the Outrigger club-Town team battle which will be staged at Moikili field Christmas afternoon at 3 o'clock. This should be the best game of the year, as both teams are in the best condition and ~~have~~ been strengthened considerably by the addition of quite a number of football stars who have not yet played on either of these two clubs. The record for both the Town team and the Outrigger club is two defeats and two victories. The Surfriders will no doubt be the favorites in the Christmas Day game, and it is the opinion of a great many fans that the Beachcombers will come out with the long end of the score. The Outriggers defeated the post team by a 12-3 score, and the post team was defeated by the Town team 13 to 0. When the Town bunch met the post team all dope was upset at the outcome of the game, Schofield outplaying and finally defeating the Town team 9 to 3.

The Outrigger club has not played any games since Thanksgiving, but has been hard at work daily for the past three weeks preparing for the big game. Joe Stickney, star halfback of the club, will not be able to play any more this season owing to a bruised elbow which caused water to form, thereby requiring an operation which was performed last Sunday. The loss of Stickney will be felt considerably, as he was one of the most consistent groundgainers the club had. However, Coach Inman has Hoopii, star half from Punahou, who together with Spencer at full, Canario at right half and Searle at quarter can be counted upon to deliver the goods. On the right Anderson will play center, O'Sullivan and King, guards, Fuller and Kahana-moku tackles and the Thompson brothers ends. With this lineup the fans may rest assured that some classy football will be displayed as every one of the above mentioned players have displayed rare form so far this season and is at present in the best of playing condition. Bill Hollinger, who was injured during the last game with the Town team, ~~has~~ entirely recovered and will be available once again in the coming contest Christmas Day. "Fat" Hart is another Surfrider who has frequented the doctor's office quite a bit since the last game, but is now back in shape again.

Taken in all the Outrigger club is practically a reconstructed eleven, and although Bill Inman is optimistic as to the outcome of the big game, he is not by any means letting over confidence reign supreme amidst the ranks of the Canoeists. Plans are being made by the Outrigger supporters to form a royal rooting section at the game. Paul Fassoth has been delegated to round up the bunch and lead them in both songs and yells.
