

'DAD' CENTER IS MADE PRESIDENT

George "Dad" Center was awarded a well-merited honor yesterday afternoon when at the annual meeting of the Hawaiian branch of the Amateur Athletic Union of United States of America he was elected president for the ensuing term, succeeding William T. Rawlins.

As captain of the Outrigger Canoe Club, he has been one of the greatest boosters for clean sport in Hawaii. The association adopted a resolution pledging to hold championships in track, swimming, basketball, volleyball and other sports. The association also decided not to sanction any meets unless the meets were closed to clubs not members of the association.
