

Hilo Family To Send Two Sisters To Enter Women's Swim Meet

"Dad" Center has just received a letter from Isaac Keliipio, father of Kuualoha Keliipio, the Hilo mermaid who swam in the fall swimming meet in Honolulu harbor, to the effect that he intends to send Kuualoha's two younger sisters to Honolulu to participate in the women's indoor swimming meet to be held in the "Y" tank on February 27 under the auspices of the Women's Auxiliary of the Outrigger Canoe Club. As none of the Hilo swimming organizations are affiliated with the A. A. U., it is probable that the youngsters will swim unattached.

Center says that these two kids are fast and if they are in condition at the time of the meet should make things exceedingly interesting for other entrants of their own age.
