

NOT SINGLE PROXY AT OUTRIGGER CALL

For the first time in the history of the Outrigger Canoe club an annual meeting was called and a quorum failed to be present.

Furthermore for the first time in the history of the club there was not a single proxy present at the scheduled meeting. Only 26 members turned up and a total of 50 was needed. Failure of members to turn up was taken to indicate the fact that the majority is quite satisfied with its present officers and the good work that they are doing.

After waiting for about 20 minutes it was decided to postpone the annual meeting for two weeks. The date set for the meeting was August 5.
