

OUTRIGGER ELECTION HELD NEXT THURSDAY

Strenuous efforts to get out enough members of the Outrigger Canoe club to make a quorum on Thursday evening, August 5, when the club holds its annual election and meeting in the Library of Hawaii, are being made today by the retiring officers.

At the first meeting two weeks ago not enough members or proxies were represented to make a quorum. Officers of the club urge members who cannot be present to obtain proxies from the office at Waikiki and give them to friends who will be present.

The nominating committee has recommended the following members as candidates for election:

For president, Warren Dease, R. A. McNally; for vice-president, D. E. Mooney, G. H. Angus; for secretary, Allan Podmore, W. Ballentyne; for treasurer, F. C. Bailey, Ernest Clark; for captain, G. D. (Dad) Center; for chairman of the house committee, S. M. Starratt, Esmond Parker; for chairman of the order and entertainment committee, H. A. Asch, A. H. Tarleton; for directors, C. C. Graves, C. F. Waterman, E. S. Goodknight and P. G. H. Deverill.

Reports of the retiring officers show the club to have had a prosperous year. Its membership is growing steadily, and several hundred new lockers installed last fall have been filled. There is a waiting list at the office now.

The nominating committee consists of C. F. Waterman, E. A. R. Ross and Ralph C. Scott.
