

SCHOFIELD TO PUT IN SOCCER ELEVEN

The meeting of the Honolulu Association Football league last night was more in the nature of a get-together affair and little business was done. Word was received at the session that Schofield will put in a team this season which makes it certain that there will be five teams in the circuit.

The present outlook is for a team from Schofield, the Rangers, the Healanis, the Outriggers and the former Punahou team players, who will play under a new team name.

The next meeting of the league will be called shortly, when the officers will be elected, officials chosen and dates arranged. The exact date has not yet been decided and will be announced later.
