

OUTRIGGER HOLDS ELECTION TODAY

The annual election meeting of the Outrigger Canoe club is being held this afternoon at 4 o'clock at the club grounds. It was felt that by holding the election on a Saturday afternoon a greater number would turn out than if the election was held, as in the past, on a week-day night.

The meeting will have to elect three new directors to succeed George D. Center, Ernest Podmore and Dr. Paul Withington. Nominations can be made at the meeting but a slate, prepared by the nominating committee will also be presented.

Under the by-laws no member can vote unless he has paid his dues for the coming year.
