## Island Swim Tourists To Be Invited To Show

---

The members of the Hawaiian Olympic swimming team which returned this week from Europe and mainland United States will be asked to participate in the annual Swanzy cup meet to be staged at the Punahou tank on the night of Friday, September 26.

In the five competitions for the cup Gerd Hiorth of the Outrigger Club won it in the first meet, while Helen Moses won it the next year. For the next two years Mariechen Wehselau, Olympic star, won the honors, but last year Helen Moses came back for another victory.

Besides the women's events the service and school teams will be invited to enter special events. All the women's clubs in the city will be invited to enter the annual meet this month. Proceeds from this meet will go into a sinking fund to send women swimmers to the mainland and Olympic games for competition.
