

# WEHSELAU IS WINNER

(Continued from Page 6)

rill and Durao made a pretty race of it going down but the latter took a bad turn and the little miss from Marion Scott nosed out her rival.

The tub race furnished much amusement for the crowd. Few managed to negotiate the 25 yards in the tubs without sinking and more were unable to get started. "Tough" Bill Keawemahi furnished the amusement in his heat but he finally copped after sundry trips to the bottom. Johnson was awarded first place in this event over Harris and Keawemahi.

Conniston, second to Harris, in the 100-yards novice for men, looks like a comer. He swam easily but tired on the last lap and missed his last turn completely and as a result, was beaten on the stretch. He will bear watching with practice.

The meet was brought to a close with the men's club relay. It was a nip and tuck affair between Hui Nalu and Outrigger. Hui Nalu took the lead from the gun and held it for five laps. Then "Mouse" Smith took up the burden and handed Pratt a lead which he was able to hold over Sam Kahanamoku. Sam and Pratt made a pretty race of it on the stretch but the latter held on doggedly and won on the touch. The race had the crowd on its feet from start to finish. Nuuanu "Y" was third. Although outclassed, the "Y" swimmers swam a plucky race and deserve credit for their showing.
