

Mineville and Harris Featured In Outrigger Swim; Former Makes Gallant Finish and Wins Classic

A. E. MINEVILLE and Gay Harris, swimming almost stroke for stroke, made a gallant finish in the open event of the annual Outrigger Canoe club, Castle surf to Outrigger club swim classic. Both men got off to a good start, competing against a field of two other swimmers, Fred Reeder and H. Hill. At the public baths Harris was in the lead with Mineville a close second. Reeder was third and Hill fourth. Opposite Cunha's Harris was still holding his lead but opposite Waikiki Inn Mineville began a steady and grinding spurt that took up the intervening distance between him and the leader, and finally passed Harris. From then on Mineville clung to the lead until the finish, coming to the finish line in the excellent time of 31 minutes, 52 seconds.

In the women's swim from the public baths to the club Mariechen Wehselau had everything her own way, finishing with a substantial lead over Pauline Laird, her only opponent. Mariechen's time was 17 minutes, 12 1-5 seconds.

K. Makinney made an excellent race of it in the public baths swim for boys under 18 years of age. He came in first with a spectacular sprint leading his nearest competitor, T. E. Ellis, by a good distance. His time was 17 minutes 52 1-5 seconds. Makinney will probably be a star in future meets as he looks like one of the most promising local youngsters.

Robert Askew won the race for men over 30 years of age in 22 minutes 58 4-5 seconds. He defeated A. R. Tulloch and Dick Richards, who finished second and third respectively. There were but three entries in this event.

Leilehua Judd won the novice event, the Cunha's swim for girls, in 9 minutes and 35 seconds. The Cunha's swim for boys under 16 was won by Boston Wood in 9 minutes 4 4-5 seconds.

Weather was ideal for yesterday's events, and the entire program was run off in efficient manner under the guidance of Dad Center, who was chairman of the swims.
