MATSON A.C., coached by Manuel Ferreira, last night won the championship of the ASUH Volleyball league when they defeated the Outrigger Canoe club aggregation in the University gymnasium for their ninth victory of the season.

The Shippers are undefeated. They turned back the Canoe boys in straight sets, 15-4, 15-9.

Pedro and Kelikipi with powerful slamming played prominent roles in the victory of the Matsons. They were abetted by Sonny Lee who fed them nicely, setting the ball up for vicious slams.

Adolphson and Nash played well for Outrigger. Nash smashed well and hard and his slams rivalled that of Pedro's and Kelikipi's. Chiswick also gave a good account of himself.

In the other game, the Vagabonds upset the Pearl Harbor A.C. in three sets, the score being 15-5, 8-15, 15-12.

The Harborites went great guns in the first set, but the Vagabonds staged a brilliant comeback to win the next two sets.

It was the great slamming of Earl Kraft that paved the way for the Vagabonds' victory. In the third set Pearl Harbor took an early lead of 8-3, but Alex Beck and Kraft uncorked a series of slams to lead their team to victory.

Although the championship is theirs, the Matsons will play the Vagabonds in the final skirmish of the season Friday night.
