

Matsons Beat Vagabonds Volley Team

End Season Undefeated: Pearl Harbor Trims Outriggers

Winding up play in the ASUH Senior volleyball league last night, the Matsons, who clinched the championship Wednesday night, slammed out a decisive victory over the Vagabonds at the University gymnasium, 15-9, 15-11, to end the season undefeated.

For the victors Charles Keliikipi's pile driving slams, and the performances of Captain Akau and S. Lee were features of the game. E. Kraft played an outstanding defensive game for the Vagabonds.

With the score at 9-all in the first set, the Matsons rallied strongly and scored six straight points to win. The Vagabonds came back strong in the second set, but Akau's fine blocking and slamming staved off a potential rally.

Displaying a better brand of play than in previous performances, a fighting Outrigger team made the Pearl Harbor boys fight every inch of the way to win a tough first set, 15-12.

The Outriggers held an early lead of 12-9, but superb slamming by A. Braun of the Lambert coached Pearl Harbor team, brought the final tally to 15-12. The Pearl Harbor boys had it all their own way in the second set, winning handily 15-4.

Braun for the victors and Chiswick for the Outriggers played hang-up games.

The ASUH Inter-Island Volleyball tournament opens Monday night with three games on tap. Because of the tie between the Vagabonds and Pearl Harbor, the first night's games have not yet been slated.

A team of eight players and a coach is due to arrive in town today from Lanai. This team recently won the championship of the Island.
