GOOD WORK, KAMAAINAS

Last night's meet was easily the

better of the two staged. The competition was keener and the entertainment and sideshow snappier.

The Kamaaina Beachcomers turned in a first class performance running the meets and all the committeemen, from Theodore (Pump) Searl down, should not hesitate taking a pat on the shoulder.

The junior chamber of commerce is today completing plans to stage a meet next Saturday evening at the natatorium. The American swimming stars, who recently gave an exhibition here, are expected to be featured while en route home to the mainland.
