Mildred Slaght Hooper Files Entries For Two Cham- pionship Events

More than 200 entries were filed for the opening night of the three night Hawaiian swimming championships, slated for the Memorial Natatorium Saturday night, according to the list released this morning by Victor Ligda, chairman of the games committee.

Mildred Slaght Hooper has registered for the two Hawaiian championships for women, namely the 100 meter freestyle and the 220 yard breaststroke events. Olga Clark and L. Gillespie of the Outrigger Canoe club have been training but their entries have not been filed yet. They are expected to come in today.

With only one entrant, the swimming committee has done away with the springboard diving for women. This was to have been a championship event.
