also be three races for outrigger canoes, possibly one for women's crews.

It was recognized by those present that one trouble with Regatta Day programs in the past has been that they were run off too slowly. Every effort will be made to eliminate the long delays between races that have marked past regattas. A schedule will be worked out, designating the starting times for each race, and the races will be started on these scheduled times.

Chairman Thacker has called another meeting of the regatta committee for next Friday morning when those assigned to handle various phases of the program will report on progress of their work.
