

OUTRIGGER CLUB TO MAKE MERRY FRIDAY NIGHT WITH A DANCE

Outrigger club members and friends will make merry Friday night with a big dance and celebration at the club quarters on Waikiki beach. The occasion is a two-fold jubilation—first to celebrate the club's recent victories in the Kona outrigger canoe races, second, to welcome the new president, Leslie Hicks, and the incoming board of directors.

Edwin Peterson, chairman of the arrangements and reception committee, said today that all members of the club and their friends and all those interested in the Outrigger club are invited to come. Chuck Thode's orchestra will provide music for the dance beginning at 8:30.
