first year in swimming competition and promise to become real threats in the future.

Joan Crawford, the 15-year-old miss who showed her heels to her competitors last Saturday, has entered the 100 yards freestyle for girls under 16, and it may be safely said that she will be among the leaders at the finish.

The 440 yards H.C. for men will be the big event of the day for such stars as Sabin Hutchison, George Kalamakae, Kainaga, Calosopa and Kaluni will be seen battling for the lead. Tannerhill, Cremer, Raynor and Steinmacher of the Service teams have also entered but there is only a chance that they will be up among the leaders as they are sprint men for the most part.

WOMEN'S COMPET

Mildred Slaght Hooper, Hawaii's premier woman swimmer and winner of two Hawaiian Championship events in the last open swimming meet held Saturday, has filed her application in the 440 yards freestyle for women and the 220 yards backstroke for women, both Hawaiian Championship events. In the 440 the race should develop between Mildred and Loretta Gillispie, and in the 220 backstroke Mildred will win and the second and third places will be contested by Gladys Slaght and Elizabeth Toomy.
