

# REGATTA CARD

## READY SOON

Rowing enthusiasts of Hawaii will be pleased to hear that plans are being rapidly completed to present on Regatta Day, September 16, one of the most interesting, as well as picturesque, programs witnessed in many years. As previously announced, the 1933 regatta will be staged on the Ala Wai instead of Honolulu harbor.

Besides the regular crew races plans are going ahead to stage races of sampans, outboard boats, yachts, P. C. boats and canoes.

For the first time in the history of rowing attempts are being made to enter a Japanese crew in the regatta. The Myrtle Boat club is willing to loan a barge to the All Japanese crew.

Besides the Myrtle and the proposed All Japanese crew, there also will be boats from the Pearl Harbor Yacht club, Outrigger Canoe club, Hui Nalu and Queen's Surfriders, who must be considered in the various plans of races that are being made.

### Donates Trophy

Paul Beyers has donated a trophy that will be given to the victor in the sampan race. The Standard Oil Co. has also donated a trophy, but as yet it has not decided to which race winner it will be presented.

The committee in charge of the regatta is composed of Earl Thacker, chairman; Bob Sawtelle, manager; George Brown, Charles S. Crane, Dad Center, Jack Bottomley, Charles Amalu, Jack Butler, Joseph Farrington, Don Watson, William Peet, Paul Beyers and Cmdr. Baylis of the Itasca.
