Associated Oil Team Is Winner, 18-16

The Associated Oil Company drew first blood in the opening game of the Oilers League when they took the Union Oil Company for a slide, 18 to 16. The game was played on the Railroad Field. The "Flying A" team had the "76"ers 15 to 8 at one stage of the game and when they decided to freewheel a bit, the Union team felt the spirit of "76" and ran the score up on the "service with a smile" lads. However, the "let's get Associated" boys threw some Cycol Heavy under the pins of the "Blue and Whites" and finished two runs ahead. There were three home run hits in the game and all three were made by the "Red, Cream, and Green" team.

Willie Char tallied two of the runs and "Tramp" O'Dowda the other. It was reported that the success of the team was due largely to the "squeezing" along the side lines of Roy A. Craw, the business manager of the team.

The next game of the Oilers League will be played by the Shell Oil Company and the Standard Oil Company at the Railroad Field.
