

Honolulu's Regatta Day Revival To Be Big Event

All-Around Program of Races, Water Sports
Are Planned; Bleacher Seats Set Up

Regatta Day will be revived in a big way next Saturday with a water carnival the like of which has never before been seen in Hawaii. Under the chairmanship of Earl M. Thacker, assisted by Bob Sawtelle, the regatta committee has arranged a program of water sports that will provide a lively afternoon of competition and entertainment for the thousands who are expected to crowd Ala Moana for the occasion.

Although dedicated to rowing in the past, Regatta day this year will become an all-water sports day featuring virtually every pleasure craft that plies Island waters.

REAL PUNCH

Thacker has arranged for yacht races between the various types of boats at Pearl Harbor and Ala Moana, rowing races between crews from the

Myrtles, Police and Japanese, out-board motor boat events, canoe races, sampan races and a goodly array of side entertainment that should bring Regatta day back with a decided punch.

Bleachers will be erected along Ala Moana, stretching from the first pergola near the ewa side of the new park to the entrance of Ala Wai.
