

ALL SET FOR WATER CIRCUS

Crews In Outrigger Canoe and Outboard Motorboat Races Announced

An announcement this morning by Bob Sawtelle, manager of the Regatta Day program Saturday at the Moana park channel, revealed that more than 50 boats of all descriptions will vie for laurels and trophies that will be at stake in the big water circus.

According to Sawtelle, there will be 13 barges, 16 outrigger canoes in paddling races, at least four Hawaiian canoes in sailing events, 10 outboard motorboats and 10 "S" yachts on the various competitions.

Cups and other prizes will be awarded to the different winners, Sawtelle added. Attempts are being made to give the winner in every one of the 16 events some suitable token.

To complete plans for the day's festivities, the executive committee will hold an important meeting at noon tomorrow at Earl Thacker's office in the Dillingham building.
