

## THE BIG BAM GOES A-SURFING

Babe Ruth, the mighty King of Klout, took his first ride in an outrigger canoe Wednesday afternoon. He was the guest of Duke Kahana-moku. The Babe expressed a desire to ride the waves the very first day of his arrival. Yesterday was his first opportunity to get out and try it. "Great sport," said the Babe as he came in after almost an hour "outside." Here he is just before taking off.
