

SURFRIDER OF WAIKIKI

By "TYPHOON" SPENCER

Well, the armistice day parade last Saturday at Kapiolani park was thrilling, if not colorful, indeed. But I think that Walter Bowman, surfrider and captain of the R. O. T. C., should be a colonel, or have you a majority, sir?

Those who took places in the practice swim for the coming Thanksgiving Day races, last Sunday, from Castle's, were Wilbur Craw, who came in second in last year's race, first; Jimmy Hurd, second; Olga Clark, third; Mildred Hooper, fourth.

"Uhu Toots" Minvielle is also entered in this Castle's race, but as he is to do his swimming to Hawaii maybe, he wasn't in the practise spin the other day. He won last year's race, if I remember aright.

Olga Clark has excellent chances in this same race, coming in only a touch behind Wilbur Craw and Jimmy Hurd. She won the 100 and 220 meter at the coast last year swimming for the L. A. A. C. She returned with five gold and one silver medals. She was also "anchor" in the relay race held there.

Clifford Gessler, our own and very lone practitioner in the men's open above 30, from the public baths to the Outrigger Canoe club, did so well in Sunday's spin that I think the other wouldbe "Duke Kahana-mokus" had better watch their step or Clifford will go "for broke" right amongst them yet.

Others in the Cunha's event for girls were Jean Pope and Ann Delaney; with Elvy Ridley and Betty Stevenson in the 600 girls' novice.

in the jacket, 941,330 pounds of chocolate candy (not counting other kinds), 4 million pounds of salt, 310 million cigarets valued at 1,930,611 bucks, and that we've already consumed 354 thousand pounds of nuts?

Extra! All the elderly malihini wahines are learning to dance the hula now. Can't see of what use it will be to them. "You'd be surprised," they say.

30 KINDS OF LUMBER

Thirty or more species of Philippine lumber now are appearing in export markets.
