

Outrigger Club To Sponsor Series Of Canoe Parties

In order to stimulate the interest of the members of the Outrigger Canoe Club and their friends in the use of the many unique facilities of their club, the directors are inaugurating a series of informal moonlight canoe surfing parties on December 4.

The chowder supper will be arranged by Dad Center and the canoes will be handled by expert member steersmen. There will be dancing under the dining lanai to music furnished by Sam Poepoe's orchestra.

The party will start with canoe rides from four in the afternoon. Tickets may be purchased at the entrance to the grounds. Those who expect to attend may call 91842 or write in care of the Outrigger Club.
