

SWIMMERS IN MEET THURSDAY

The leading swimmers in the Outrigger Canoe club and the University of Hawaii will be seen in action tomorrow morning in races to be staged in the waters off Waikiki beach.

The program of races includes the annual Outrigger club swims, the feature events being the Castle swim for men and the public baths swim for women, and other races for University of Hawaii mermen and mermaids.

A. E. (Toots) Minvielle, who won the event in 1924, 1929 and 1932 will be one of the competitors in the Castle swim, his chief rivals being Wilbur Craw and Jimmy Hurd, both of whom are well known in local swimming circles.

The public baths swim for women, the event sponsored by The Star-Bulletin, is also drawing a very fast field. Mildred Slaght Hooper, who won the race last year, will compete against her sister, Gladys Slaght, and Olga Clark. Miss Clark has made an impressive showing in practice and is expected to make a strong bid for honors.

The winner of this event will receive a beautiful silver and platinum wrist watch offered by The Star-Bulletin in place of the usual silver cup.

The first race will start tomorrow at 9 a. m. and the committee expects to run off the complete program by 11 o'clock.
