

plans to participate.

Theodore "Pump" Searle, chairman of the swimming committee of the A. A. U. and also coach of the University of Hawaii swimming team, said yesterday that it looks very much as though the times registered last year will be bettered in the forthcoming series of meets.

The times the swimmers on all the teams have been chalking up in practice are very favorable and presage a hectic battle for top honors in every event.

Teams that are in serious training are the Sector Army, University of Hawaii, Palama, 40 and 8, Outrigger Canoe Club and the Nuuanu Y.
