

CANDIDATES FOR OUTRIGGER GIRLS' CREWS

There's plenty of keen rivalry in the ranks of the Outrigger Canoe Club girl paddlers. Dad Center is sending 20 or more young ladies through stiff paces each night on the Ala Moana in preparation for the big regatta here on July Fourth and the annual Kona races on July 28. The girls are being worked just as hard proportionately, as the men and will be prepared to give the Hul Nalu and Kona lassies plenty to worry about. In the group above are, front row, left to right—L. Forrest, M. Breckwedel, B. Schleif, B. Hammond, M. Boyle, B. D'Arcy, E. Mowry, P. Miles, G. Osberg. Back row—K. Ell, I. Hopal, "Girllie" McShane, M. Allen, F. Matson, O. Clarke, A. Delaney, B. Kellogg.—Advertiser photo
