announce the makeup of his crews this afternoon.

BLEACHERS AT FINISH

Everything is in readiness for the regatta. Cecil Benny, who is in charge of the tickets, said yesterday that bleachers capable of seating close to 500 spectators would be erected at the finish line. These seats will be sold for 50 cents. Otherwise, the admission to the races will be 25 cents. There is plenty of room on the banks of the channel where spectators may sit and view the races.

The program starts at 9 o'clock with the first heat of Outboard motor championship opening the regatta.
