from the favored Outriggers by one length. The Hui Nalus crossed the finishing line in 7 minutes and 31 1/5 seconds.

It was a great race from start to finish and some of the athletes were exhausted at the finish. The Queen's Surfers came in third.

Lovell Leads Speeders

One of the most thrilling races of the day was the second heat of the outboard motor event in which Benny Lovell, driving his Chico, breezed over the finishing line in 14 minutes and 27 3/5 seconds. Gray in his Tradewind was right behind and clocked at 14 minutes and 31 seconds.

Louie Abrams, favorite, furnished the thrill of the race when after being stalled for two lengths from engine trouble at the start, he gave such terrific chase that he was only one length behind the winner at the finish.

The two paddle men's junior race, won for Outrigger by Hale and Ryan, also was a close race. They finished by one boat length over the Queen's Surfers duo. Hui Nalu finished third.

Hui Nalu's six oared junior women's team was so good that it took the lead from the start and could afford to steer a little crooked and still win by 11 lengths from Outrigger's first team.

The results follow:

Outboard motorboat event—First heat, Ben Lovell, Percy Gray and Willie Lovell. Time, 13 minutes 8 seconds.
