Oahuites finished in the wrong lane, giving Kailua second place in the open two-paddle event.

After the fourth race, Kailua had three firsts and one tie to lead the clubs. Natives of Kailua say there will be a hot time in the home town tonight.

The senior classic was paddled in a brilliant sun with a crowd officially estimated at some four to five thousand looking on.

The Outrigger club registered its first triumph of the day when its women's six paddle crew won the event in the six minutes and 38.4 sec. Kailua finished second, and Honaunau was third.
