born on Maui, taken to Japan when aged four, and educated in Tokyo schools. He returned to Hawaii four years ago and at present is teaching in a Japanese language school.

If the Japanese school teacher can get a shot at the mainland big boys, he will earn more money in one night than his school salary here in a year.

PERRY MAY PLAY HERE

THERE is a persistent rumor which cannot be verified, that Fred Perry, International singles tennis champion, plans a trip to Australia and will stop over in this city for exhibition matches.

Hope the rumor becomes a fact. It would be a real treat to see this crack player in action.

ROOSEVELT HIGH

ROOSEVELT HIGH may be the weak sister in scholastic football this season, but there is fine spirit at that school, also considerable material, but very green. The Rough Riders have been under dogs ever since the new school opened, but the time will come when this bunch
