

Alohas Win Volleyball Loop Title

Defeat Outrigger in Cru-
cial A.A.U. Game,
15-13, 15-10

The Aloha Amateurs, coached and managed by Manuel Ferreira, won the championship of the Senior AAU Volleyball league last night at the Central Y when they defeated the powerful Outrigger Canoe Club sextet. The score was 15-13 and 15-10.

Throughout the evening, the match was torridly contested, and the outcome was constantly in doubt.

It was their superior team work that brought the Alohas victory. The Beach boys clicked brilliantly at times to push the Alohas to the limit, but their spurts were always shortlived. Taking advantage of this and playing a steady game, the Ferreira aggregation finally emerged in straight sets.

The Alohas throughout the match played as one and there was, truthfully, no outstanding star.

The match was witnessed by a large crowd.
