ing point themselves. They were told to be in the Castle Surfs and ready to take off when the officials' boat got there with the rest of the entrants.

They were not there in time and nowhere in sight within the vicinity of the starting point. Consequently, the race was started without them.

MINVILLE SECOND

Henry Sakamoto, who is fast coming up as one of the leading local distance swimmers, glided through the rough waters in fine style and beat the veteran A. E. Minville to the finish line.

Minville had previously won the event four times, the last being last year, and he came from Moloakai where he is presently employed to participate in the race. He was full of praise for young Sakamoto. M. Hirata of the City-wide A. A. came in third.

Olga Clarke of the Outrigger C. C. won by a comfortable margin in the women's open event, with Mildred Slaght Hooper, a teammate, second, and Margaret Morse, unattached, third. Miss Clarke was easily thirty yards ahead of Mrs. Hooper at the finish. She swam with her customary powerful strokes.

line. After two running plays gained little, Mahoe passed to Dunn for first down on the 16-yard line. Mahoe then carried for first down on the six-yard line, making 10 yards in two plays. Kahapea then hit right guard for six and touchdown. Frank Cockett failed to convert with a placement and the score stood 24 to 6 and remained such until the end of the game.

A penalty of 15 yards for slugging against Al Souza gave Kam first down on the McKinley 24-yard line with two minutes to play but they fumbled on the 17-yard line and McKinley recovered to prevent a score.

Shortly later, Ah Sui was nailed on his five-yard line attempting a pass but he punted out to safety.

MAHOE STEALS SHOW

Yesterday's game brought the prep season to a close. Next comes the selection of the All-Star team and certainly after his great exhibition of football, great passing, kicking, running and tackling yesterday, Mahoe will be a serious contender for one of the halfback positions.

Captain Andy Boyd, still suffering from injured ribs, did not stand out as much yesterday as in other games. However, he was a tower of strength on the defense. Alex Kahapea and Herbie Dunn played remarkable football, Dunn's work at safety being particularly brilliant. On the line, Joe Anuhea, who played with several cracked ribs, and William Toomey, were the outstanding performers. The Cockett brothers also scintillated. Maby was also very much in the limelight. Jim Nakapaahu, who has played fine ball all season, was slowed up with injuries.

HLUBOKY LAUDS KAM

Following the game, Coach Frank Hluboky of McKinley, called The Advertiser asking this department to congratulate Kamehameha on a brilliant victory. "They played great football; had us running around in circles with their passes and certainly proved themselves the better team. My hat goes off to Bill Wise and his boys," he said.

McKinley will now turn its attention to Ricks Junior College whom she meets next Saturday in the annual Shrine game. The Blackangolds will then go to Los Angeles to carry the banner of Hawaii against Black-Foxe in another Shrine game.

in vogue and proven so popular all season, that of having the referee, Lt. John R. Lovell, give his own decisions. At the end of each round, Lovell designates the winner of that particular canto.

The other officials will be the surgeon, Capt. Gill; announcer, Staff Sgt. Russell; timers, Sgt. Slaughter, Sgt. Paulin, Pfc. Moore.

Reserved ringside pasteboards for Shafter's bouts may be purchased at E. O. Hall & Son or at the fights. They are priced at 50 cents for reserved seats and 25 cents for grandstand.

came in first in the men's junior race, which started in front of the Public Baths. Richard Arizumi of the 40 and 8 was second and Kiyoshi Kuramoto of the University of Hawaii third. Pung's time was 21 minutes 48 seconds.

In a good race, Betty Stevenson of the O.C.C. won the women's junior event. Starting in Cunha's Surf, all the competing mermaids staged an interesting struggle for first place from start to finish. The winning time was 11 minutes 57-2/5 seconds. Jean Pope of Outrigger was second and Miss A. Ridley of the same organization third.

The novice races for both men and women started in the Canoe Surfs, just off the beach.

In the men's event, O. Stewart of the 40 and 8 was first, F. Tanaka of the same club second and Kenichi Kuwada, unattached, third. The time was 7 minutes 24 seconds. Miss F. Matson, Miss Branch and Miss Ensminger finished in the order given in the women's novice race.

U. H. SPONSORS

The open water swims were sponsored by the Associated Students of the University of Hawaii, with Theodore "Pump" Searle, swimming coach and graduate manager at the Manoa school, in charge. The compet, which was sanctioned by the Hawaiian A. A. U., was thrown open to all competitors for the first time in history. Previously, the meet was staged only for members of the Outrigger Canoe club.
