

# Uluniu Meeting

---

Uluniu, the popular women's swimming club on the beach at Waikiki, will hold its 26th annual meeting Tuesday, March 5 at 4 p. m. at the clubhouse. Reports of the club's activities and progress during the previous year and election of officers for the coming year will be followed by tea on the lanai.

All members are expected to attend this important meeting, and those who are unable to arrive at 4 p. m. will be welcome later for tea and the social hour.

Uluniu is one of the beauty spots of Waikiki, with its shade trees, well kept grounds and attractive lanais. The new outdoor grill for steaks and chops is in frequent use for supper parties.

Founded in 1909 by Mrs. Francis M. Swanzy, the club started as the ladies' auxiliary of the Outrigger club. Its popularity grew and it is now one of established organizations of which Honolulu is justly proud.
