TO SET the stage for the third meet of the Hawaiian Indoor swimming championships, eliminations in four events were held last night in the University tank.

Although trials were slated in four other events, they were not necessary due to the non-appearance of several of the natators.

The finals are slated for Wednesday evening and at that time a series of palpitating races are expected.

B. ROSS TO ABDICATE HIS THRONE

(United Press by Radio)

NEW YORK, April 15—Barney Ross announced through his managers today he is abdicating his lightweight championship because he is unable to make the weight.

The action of the Chicago Jew was regarded as sidestepping a title bout with Lou Ambers, the heavy hitting challenger.

Mike Jacobs, promoter for the Twentieth Century organization, had expected to sign Ross today for a title bout with Ambers.

Art Lynch and Sam Pian, managers of Ross, said Ross plans to seek the welterweight title now held by Jimmy McLarnin. Boxing critics pointed out that Ross could abandon the lightweight title undefeated to go after the welterweight crown. If he failed to lift the latter from McLarnin's shoulders he could then challenge Ambers for a lightweight title bout.
